mycotrition GmbH – part of the HKS health solutions GmbH INTERNATIONAL

Dear Sirs,

We are pleased to inform you today that **mycotrition GmbH** will become part of **HKS health solutions GmbH INTERNATIONAL**.

HKS health solutions is based on six already long-established companies from the food supplement and pharmaceutical sector, whose strengths are now combined within the HKS health solutions GmbH INTERNATIONAL at several locations in Germany and Austria.

The focus of mycotrition GmbH will continue to be the development, production and sales of high-quality medicinal mushroom raw materials (extracts, powders, bulk capsules). Under the umbrella of HKS health solutions GmbH INTERNATIONAL we will further strengthen our position in the market and expand it through more efficient processes. More information: www.hks-health-solutions.com.

Of course, you will continue to receive excellent product quality from us. **Please note: Existing contacts from mycotrition are still available for you.**

We thank you for your trust and look forward to a good cooperation with you in the future.

With best regards,
